Special Chapter 6

Bitter sweet

Meanwhile...
Made it~
Mana, I brought smoothies~
?
Big sis-Silvia!
Teehee, how have you been?
Sorry, I just couldn't do it like before.
Yeah...
I'm fine, why don't you want to see me as often as before?
It's okay. I know you're busy.
Come on, let's have some smoothies~

pkm-150.deviantart.com

Big sis-Silvia, there's something I want to ask you.
Mmm-hmm...?
Have you found big brother-Speedy yet?
Is anything wrong?
N-no.
I shouldn't have mentioned him. I know you miss him a lot. I'm sorry that I couldn't do anything to help.
Uh... about that...
I gave up...
Give up? But you wouldn't give up that easily.
Mana, sometimes it's better to let things go

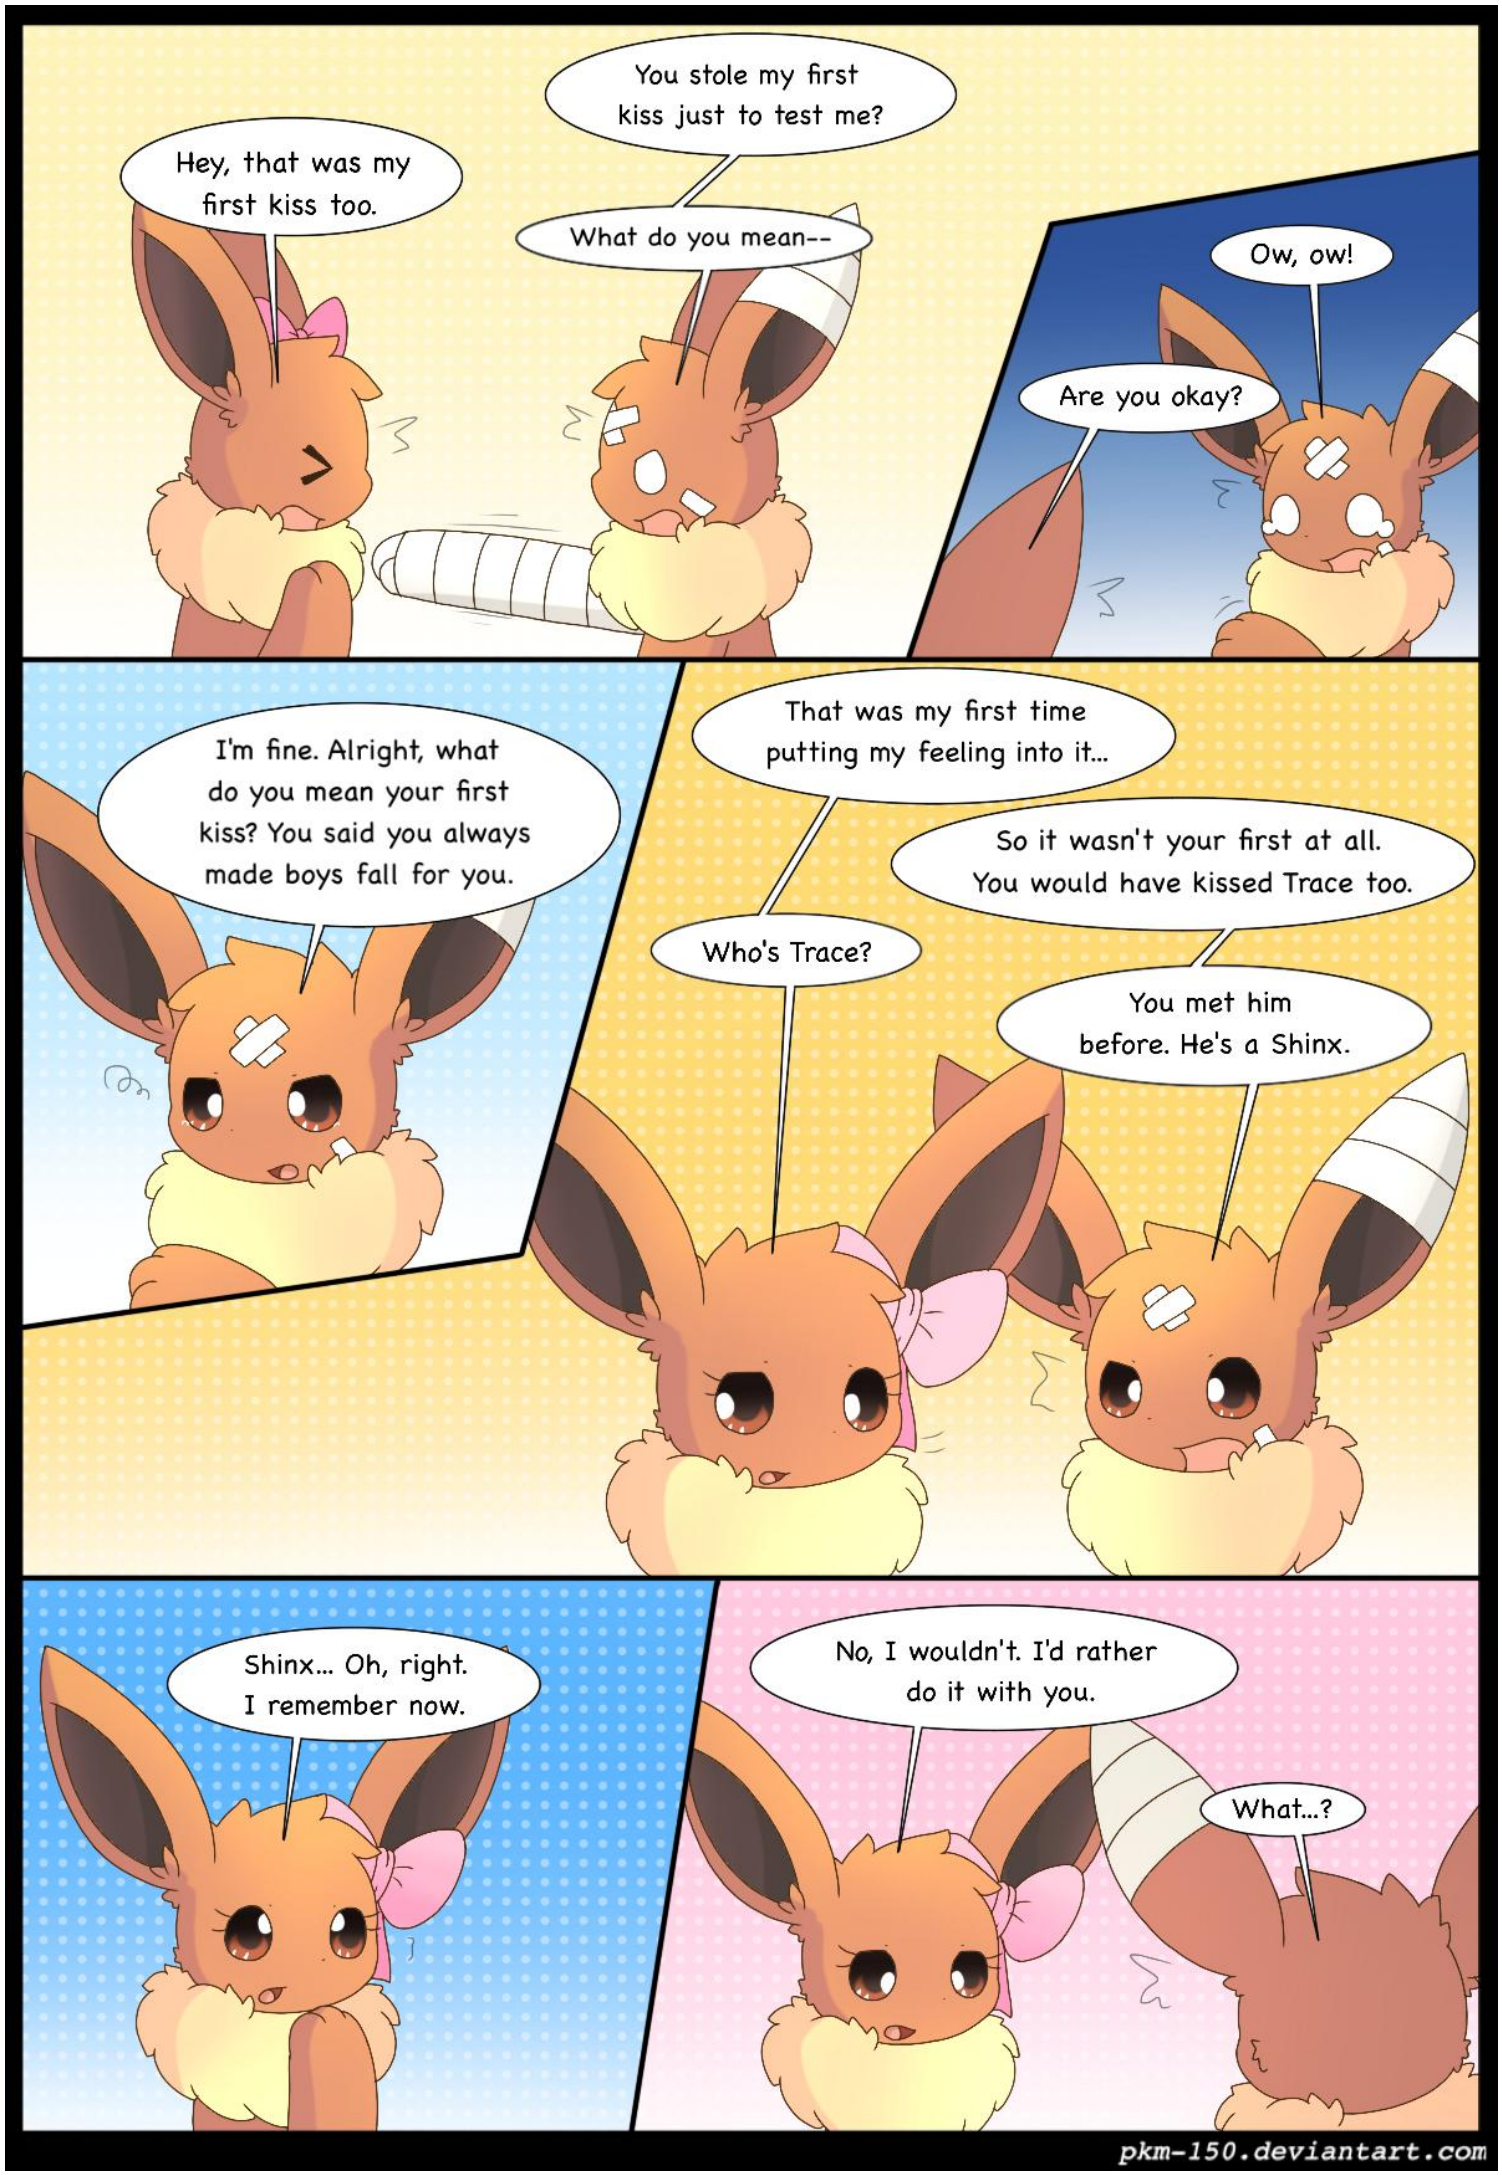
pkm-150.deviantart.com

pkm-150.deviantart.com

Jeez, what did I do?
Who are you calling creepy?
You stared at girls with your creepy face again!
You!
Me? Hah, you also did the same thing to boys too.
I stopped doing it months ago.
You may be saying that but I saw a couple of boys trying to ask you out. Are you sure you didn't use Attract on them?
I didn't. They just came at me.
Oh, yeah? What about that boy you kissed a week ago?
Well, I-- Wait... You saw it?
Of course. I just pretended I didn't know.
If you can do it, why can't I?
Big brother, where are you going?
Somewhere. Just go home. I've got something to do.
pkm-150.deviantart.com

Stupid big brother...
Ow!
I'm so sorry! Are you alright?
I'm fine, watch where you're going next time--
Wait a sec... You're that girl I met a week ago! Why did you kiss me?
A week ago...? Wait, Speedy? What happened to you?
Long story short, I got beaten by a Lucario.
And don't change the subject, you kissed me and left. What was that supposed to mean?
Oh... Testing you?

pkm-150.deviantart.com



You stole my first kiss just to test me?
Hey, that was my first kiss too.
What do you mean--
Ow, ow!
Are you okay?
I'm fine. Alright, what do you mean your first kiss? You said you always made boys fall for you.
That was my first time putting my feeling into it...
So it wasn't your first at all. You would have kissed Trace too.
Who's Trace?
You met him before. He's a Shinx.
Shinx... Oh, right. I remember now.
No, I wouldn't. I'd rather do it with you.
What...?

pkm-150.deviantart.com

I just like you better than him, that's all.
Like me...?
...
Okay, I'm out of here.
?
A week later...
Silvia!
You're going home already.
Um-hmm. See you girls later.
See you tomorrow.
?
Oh hi, Hydra--
Ah!
That was weird.
pkm-150.deviantart.com

Daddy, I'm home.
Welcome back.
Where's big brother?
Your brother is in his room.
Daddy?
I saw other kids have a mommy and a daddy. How come I don't have a mommy?
Yes?
Uh... Why don't you go to your room and get some rest?
But what about the answer?
Come on, you'll get sick if you don't get enough rest.
Big brother?
What do you want?
pkm-150.deviantart.com

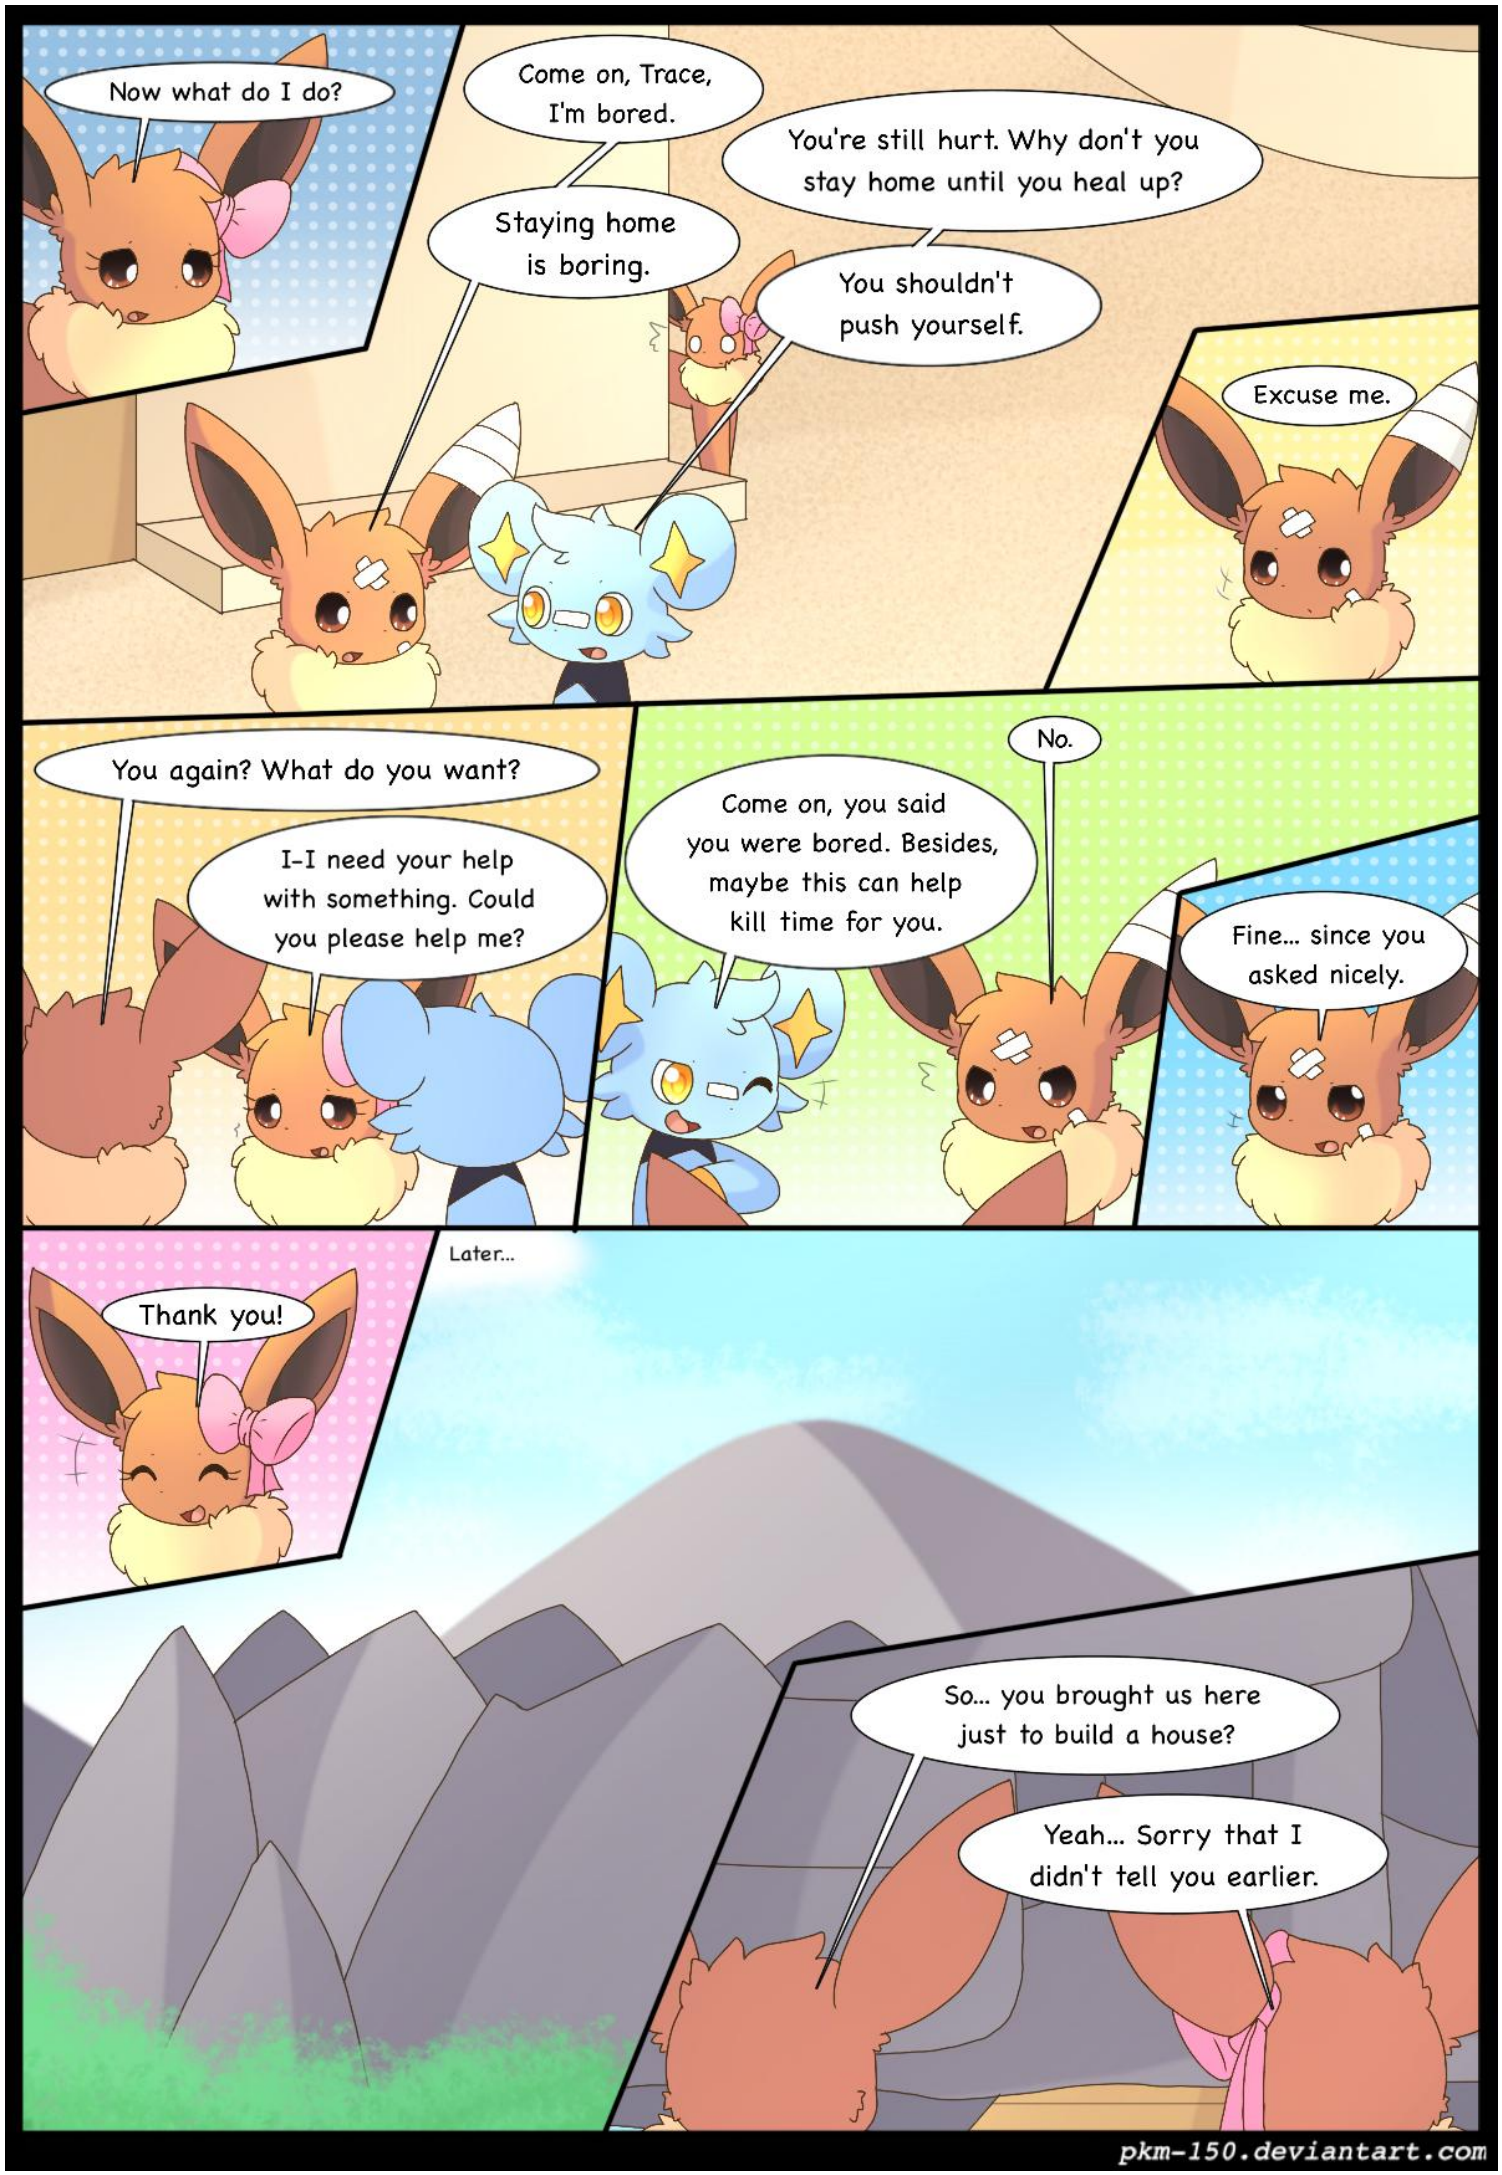
Do you know anything about mommy? Daddy always dodges the question whenever I ask about it.
Don't know, don't care.
Huh?
To be honest, I heard dad said in his sleep that mom was a slime monster or something. I found it funny especially when he screamed in his sleep like he was having a nightmare.
Slime monster?
You don't think we're...
Don't take it too literally. I don't think what he said in his sleep was true at all.
Slime monster... Oh my...
Big brother, you're right. I shouldn't take it too literally. I'll go to my room now.
Alright. Like I said don't take it seriously.

pkm-150.deviantart.com

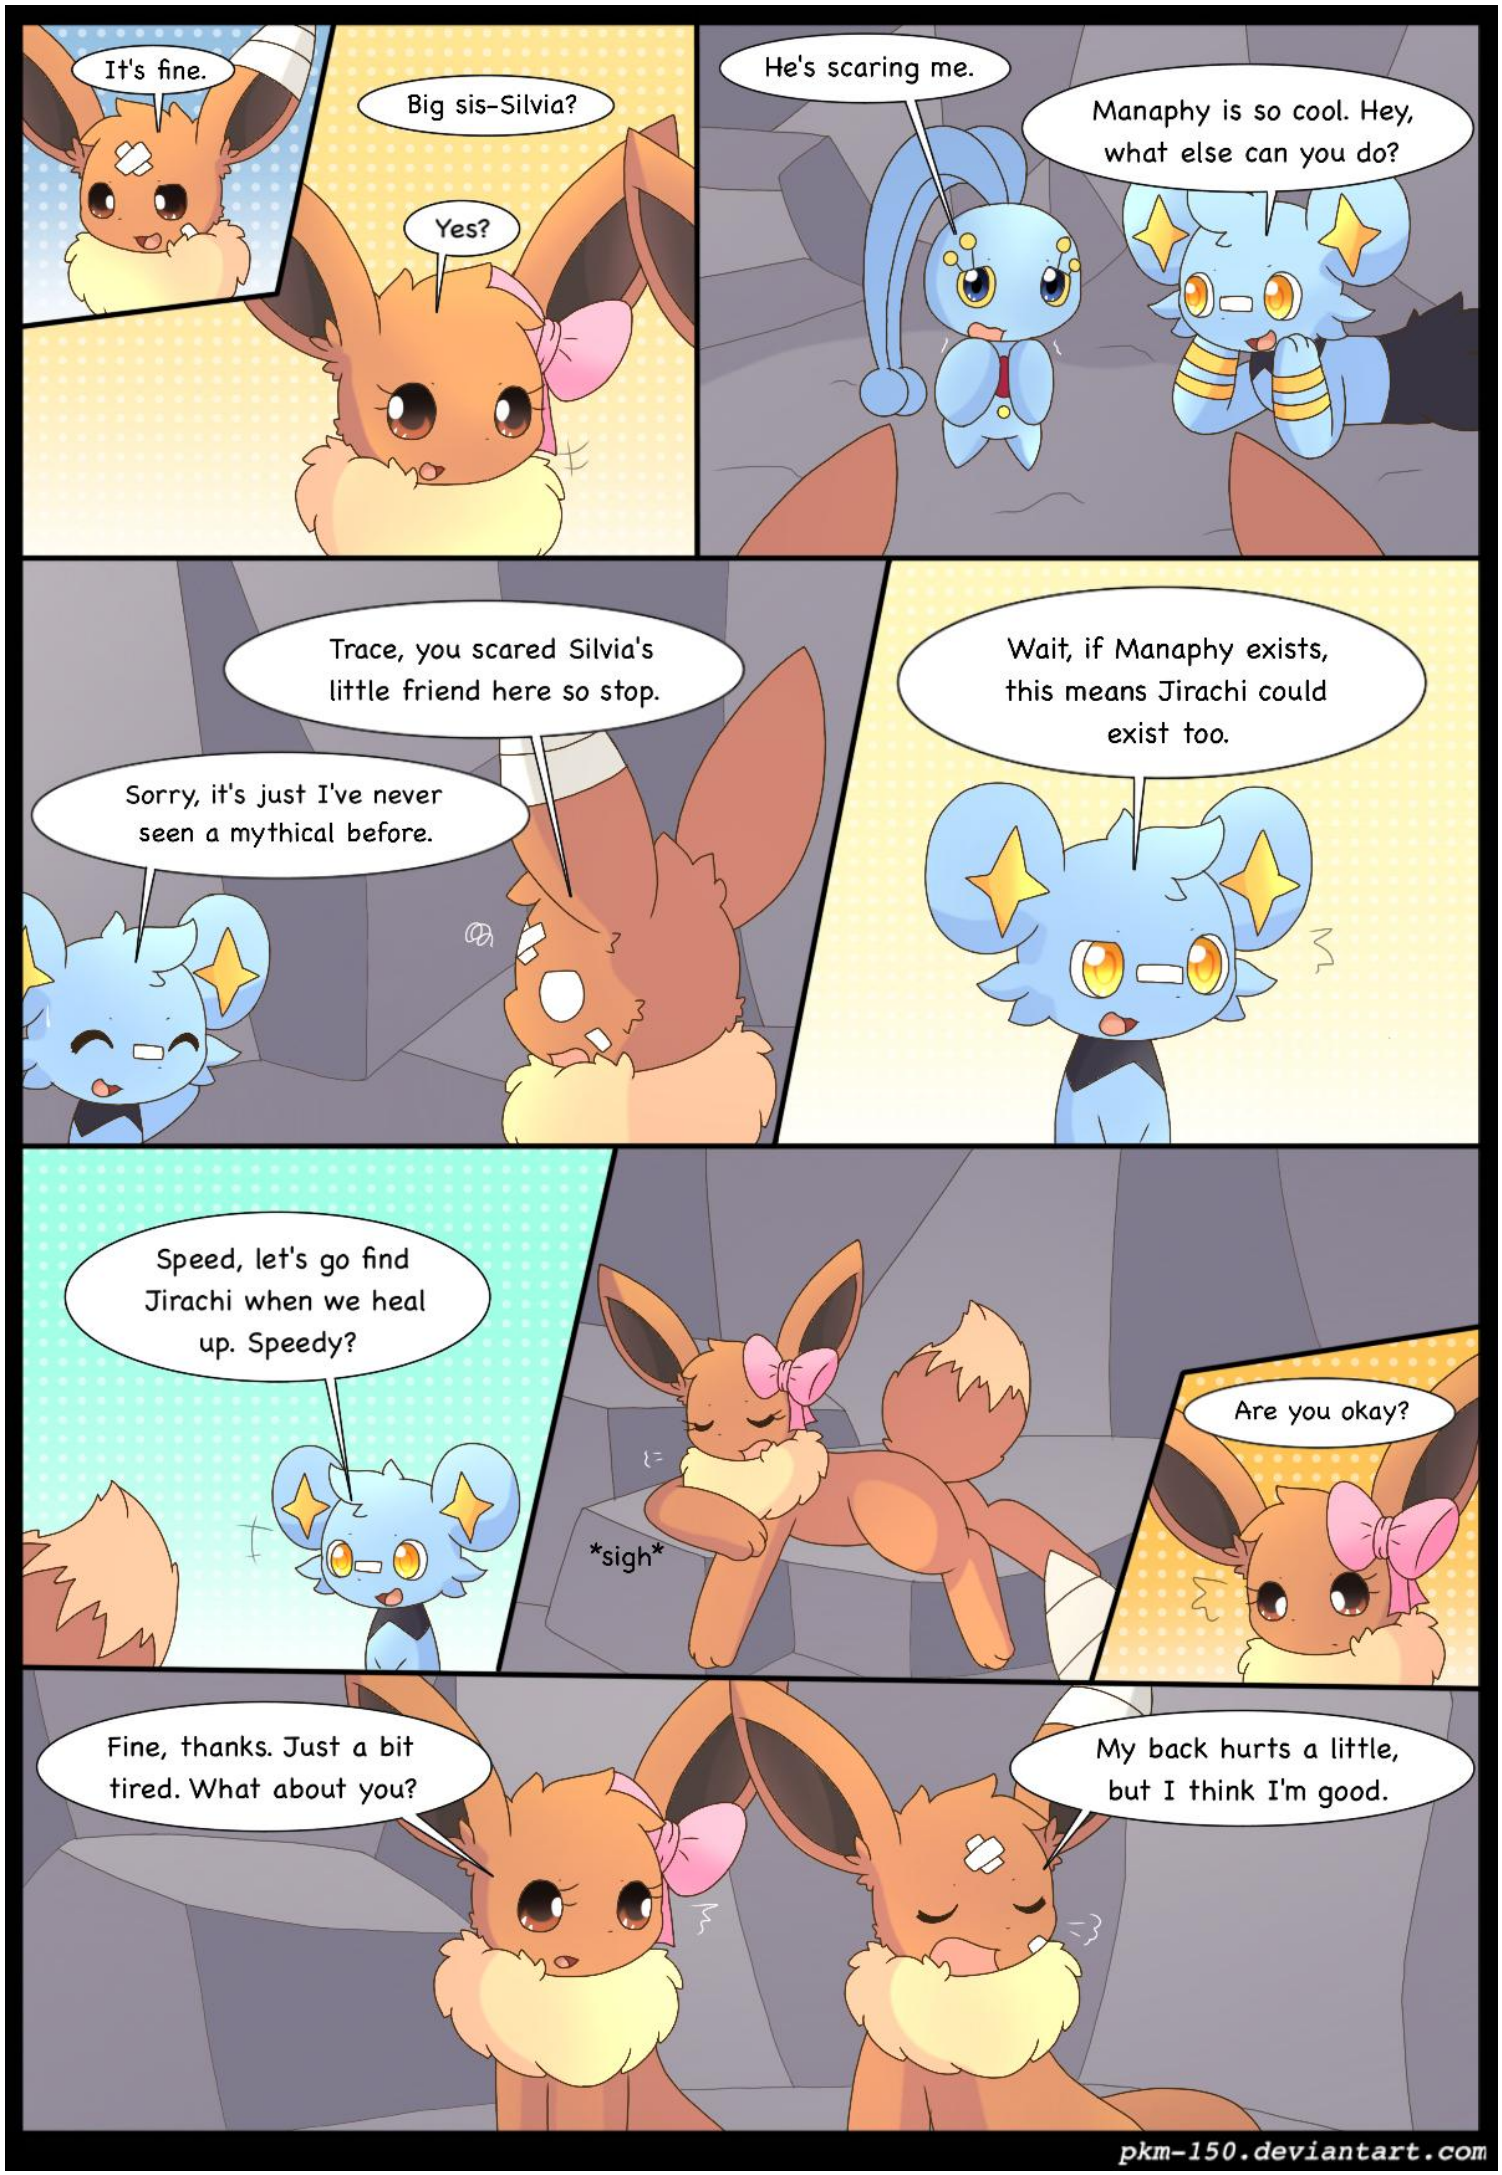
Next day...
Big brother always tells me to not wander outside of the town. Hehe, he can't tell me what to do~
It's not that far anyway, I wonder what I'll find today. Last time I found a couple of Orbs and he just took them all.
Still... I can't believe I don't have a mommy...
?
Hello~
Wah!
It's okay, I'm not gonna hurt you.
R-really?
Yup.
pkm-150.deviantart.com

I can't believe it. I just met a Legendary Pokémon~
Yup, I've never thought I would ever get to see a Manaphy.
Legendary?
Manaphy?
You don't know who you are, do you?
No, I was just born yesterday.
What...?
This means you're just a baby. I'm Silvia. What's your name?
Oh right, you don't have a name.
Name?
Since you're a Manaphy... How about I call you Mana?
Mana...?
I love it.
So Mana, where's your home?
I don't know. I want to stay here.
Here? Well, it's nice but you can't live here in this condition. What about food?
You sure know a lot for a one day old.
I can find it myself.
pkm-150.deviantart.com

How about I help you build your shelter here?
Of course, friends always help each other... Even if you don't consider me as one.
You're willing to help me? Even if we just met?
Thank you. You're nice.
Alright, wait here. I'll go get some help to build your home. Be back soon.
Okay.
Later...
Hey, where are you taking me?
I want you to come with me.
You didn't even answer my question. Come on, Silvia, let go.
I'm busy. Go ask your friends to go with you.
But you're not busy. You were stalking girls.
Blah blah blah, I'm busy. See you at home.
Big brother!
pkm-150.deviantart.com

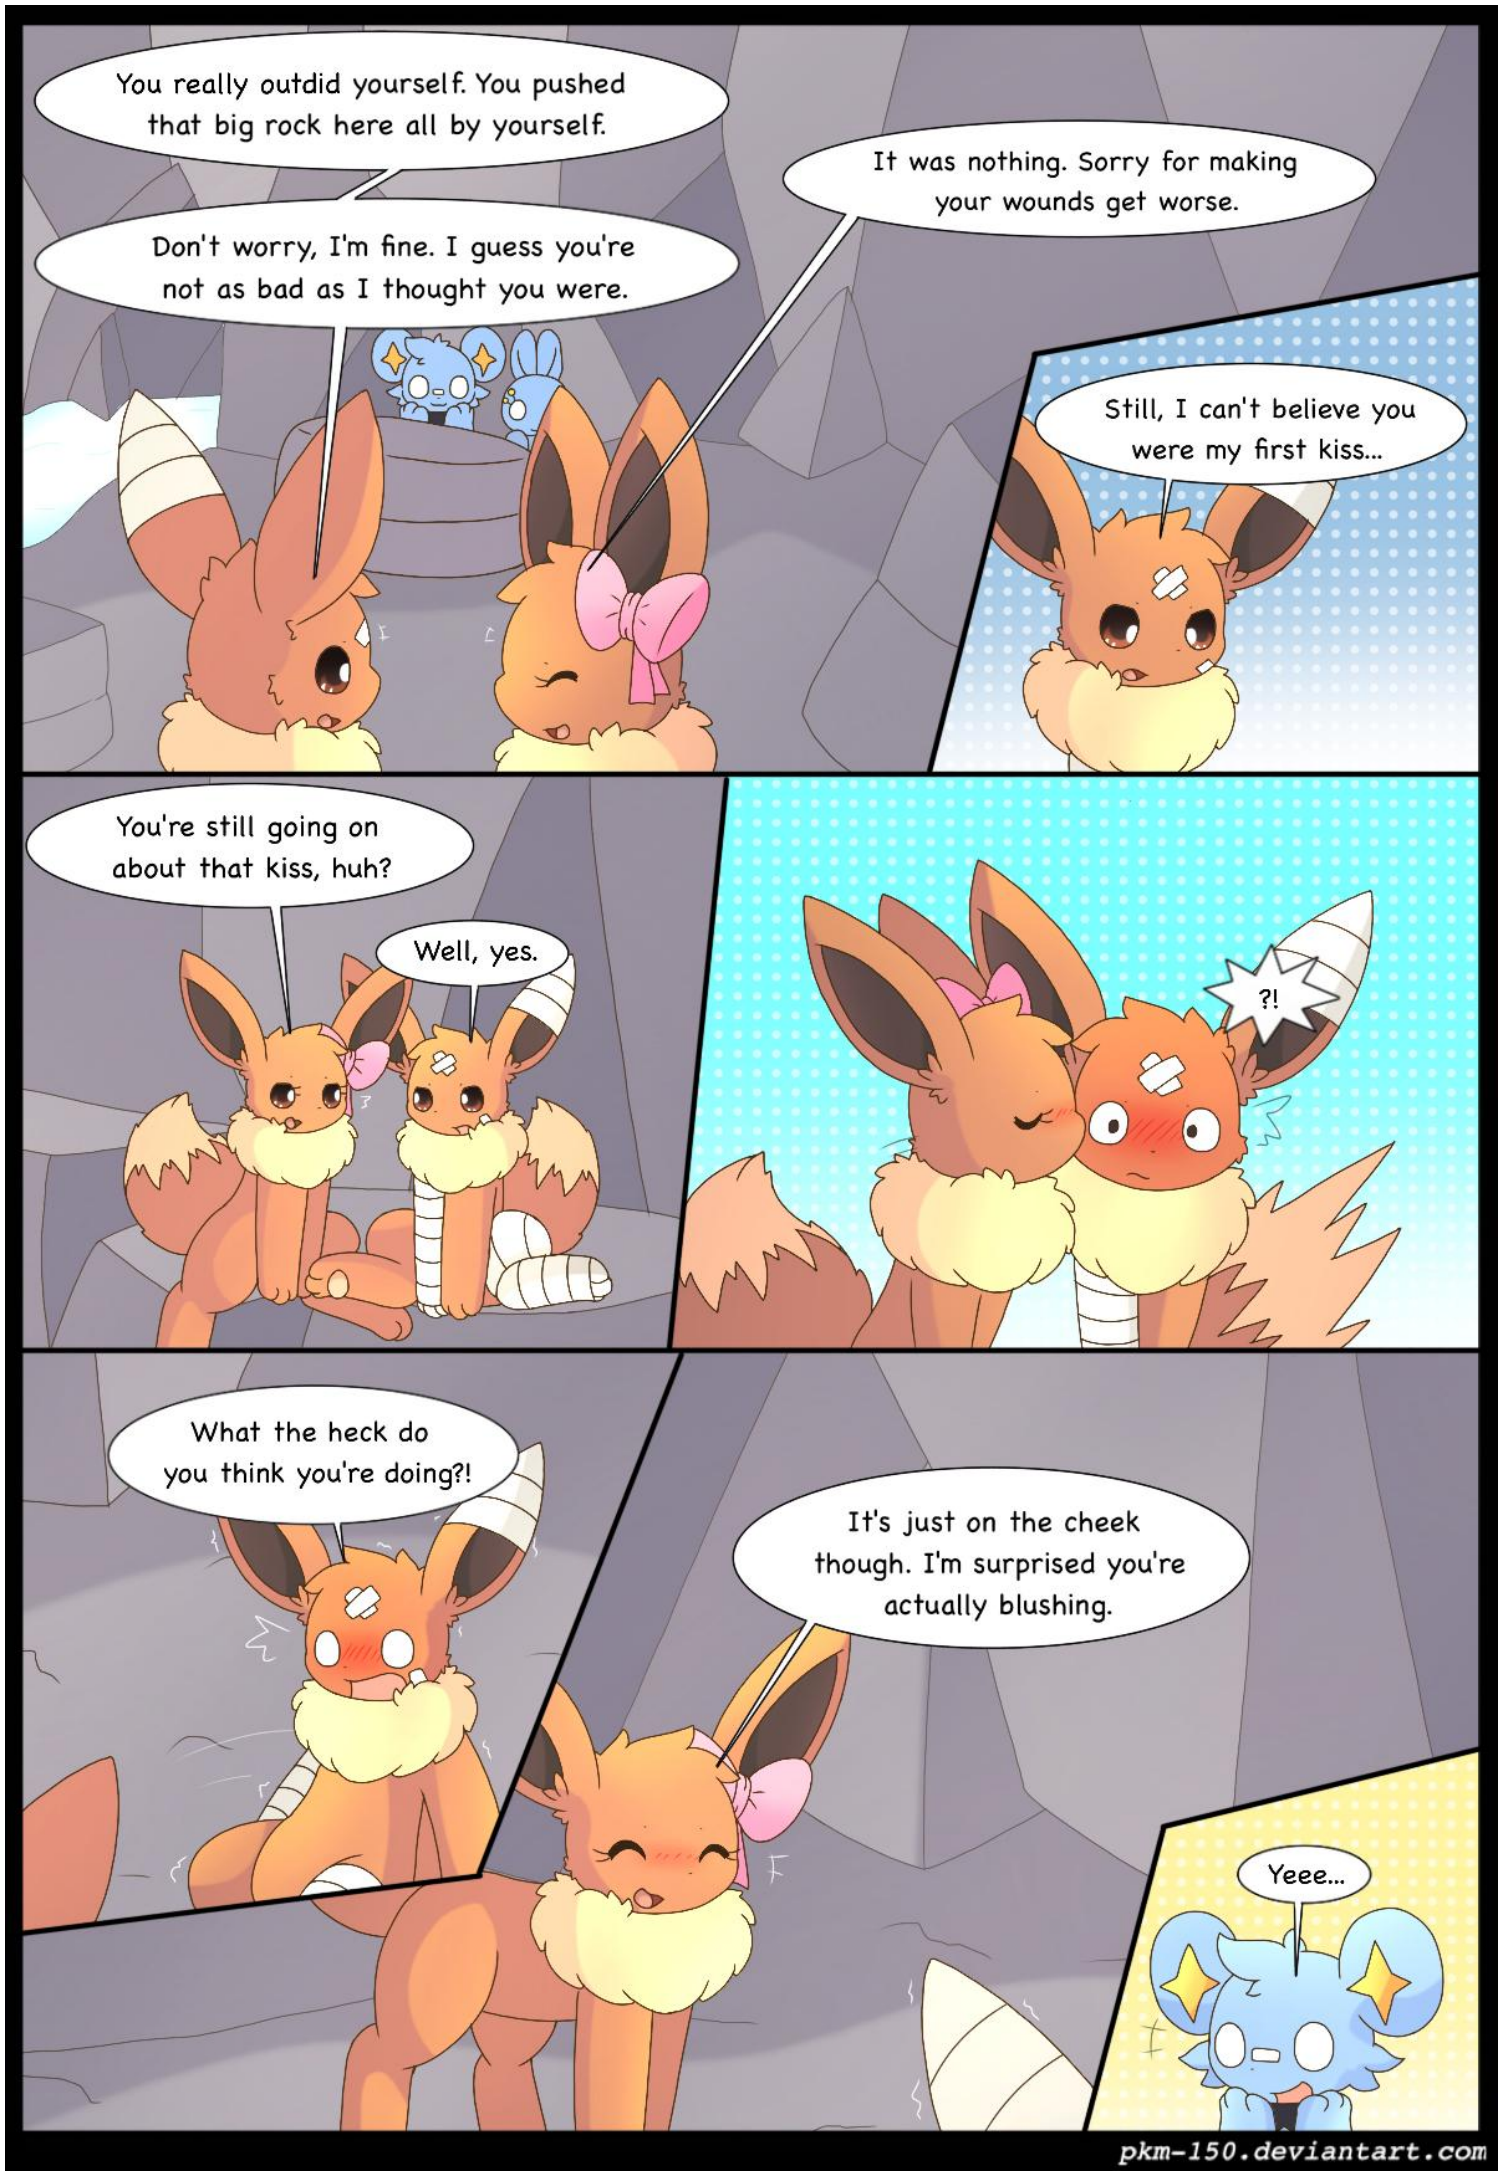


Now what do I do?
Come on, Trace, I'm bored.
Staying home is boring.
You're still hurt. Why don't you stay home until you heal up?
You shouldn't push yourself.
Excuse me.
You again? What do you want?
I-I need your help with something. Could you please help me?
Come on, you said you were bored. Besides, maybe this can help kill time for you.
No.
Fine... since you asked nicely.
Later...
Thank you!
So... you brought us here just to build a house?
Yeah... Sorry that I didn't tell you earlier.
pkm-150.deviantart.com



It's fine.
Big sis-Silvia?
Yes?
He's scaring me.
Manaphy is so cool. Hey, what else can you do?
Trace, you scared Silvia's little friend here so stop.
Sorry, it's just I've never seen a mythical before.
Wait, if Manaphy exists, this means Jirachi could exist too.
Speed, let's go find Jirachi when we heal up. Speedy?
sigh
Are you okay?
Fine, thanks. Just a bit tired. What about you?
My back hurts a little, but I think I'm good.

pkm-150.deviantart.com



You really outdid yourself. You pushed that big rock here all by yourself.
Don't worry, I'm fine. I guess you're not as bad as I thought you were.
It was nothing. Sorry for making your wounds get worse.
Still, I can't believe you were my first kiss...
You're still going on about that kiss, huh?
Well, yes.
?!
What the heck do you think you're doing?!
It's just on the cheek though. I'm surprised you're actually blushing.
Yeee...
pkm-150.deviantart.com

Wh-why did you do that? Is this another test?
Well... The last time was just a test, but this time...
...I think I'm really starting to like you~
Ah! Don't come any closer! Stay back! Trace, help!
What a lucky guy~
A year later...
Silvia, what are you gonna do now that we've already graduated?
I don't know. I want to be a pop star but I think this dream is too big. So... I don't know. What about you girls?
We're thinking of forming an exploration team. I've always wanted to see the world. Would you like to join us?
I'm not that type. No, thank you.
Suit yourself then, but it would be nice if you join us.

pkm-150.deviantart.com

By the way, have you noticed that Deino kept staring at you?
Oh, that's just Hydra.
Hi, Hydra!
Ah!
There he goes again. Always running whenever I talk to him.
I think he likes you~
So what...? I'm sure he just falls for my attraction, though I haven't used it on him for months now which is weird.
Are you sure?
Yup, I have to go look for my big brother now. See ya!
See you later!
?
Yes! I'm in.
Hmm...
A week later...
pkm-150.deviantart.com

I guess Trace does have some of his dad's intelligence and interests.
Speedy!
Ah!
Teehee... Gotcha, darling~
Hi...
What's wrong? Something happened during your work?
No... Silvia, get off me.
Nope~ I'm not letting you get away this time.
If you won't let go, I'll shock you...
I know you won't~
Yeah, I won't... You're just too precious for me to hurt...
No, I don't...
See~ You love me~
You always run from me... This is why I don't want to let you go...
Silvia...?
Yes?
Speedy...?

pkm-150.deviantart.com

I know I've never said this... You may not believe it, but... you're the most beautiful girl I'd ever met... Your voice, your personality are so cute... You really drive me crazy, girl~
Y-you mean it...?
?
Sorry, I might have gone too far! Please don't take it seriously! See ya!
Teehee.
4 days later...
Mana, I'm here~
Big sis-Silvia!
How are you doing?
Good.
So how are things between you and big brother-Speedy?
Good, I guess. Tell you what, he told me that I'm the cutest girl he'd ever met.
Wow...
I'm planning to give him a gift tomorrow since he will attend the tournament soon. I wonder if he'll like it.
I'm sure he will.
pkm-150.deviantart.com

I hope so.
Big sis-Silvia, your look just changed! You're so cute!
I am? Hey, I evolved. I believe this is Sylveon.
Wow... That's amazing!
Thank you!
Oh, your ribbon fell off.
I think I don't need it anymore. You keep it.
You mean it?
Yup, let me put it on you.
There you go. You're super cute~
Thank you. I'll never take it off.
pkm-150.deviantart.com

Later...
Big brother~
Look at me, I evolved.
...
Soon...
Daddy, look. I'm a Sylveon.
Big brother!
So you evolved too. I'm proud of you. My little girl finally grew up.
Hey, you didn't say you were proud of me when I evolved.
Simply because you evolved by creeping on girls at night. Even now, I'm still disappointed in you.
Aw, come on! That's not fair!
pkm-150.deviantart.com

Back to reality...
Oh hi, Espeon!
Sylveon, you're just in time. I need you to go with me and help me pick up some groceries. We're having hotpot for tonight.
Aye, aye~ Hotpot sounds delicious.
It sure is.
So... you said you went to look for Jolteon. Where is he by the way?
He went with your brother to train or something.
Oh... I forgot he asked him to teach him how to dodge... which is funny.
Yeah... I would've gone grocery shopping with Jolteon if he didn't go with your brother.
Enough questions for now. Let's go.
Okay.
